As you know, CD1 Councilman Gil Cedillo decided NOT to implement bike lanes at this time.

He is taking a lot of heat from the LA Times and other media, as well as the bicyclists regarding his decision. Let's all let Cedillo know we support his decision and appreciate it. Then he'll know the community will vote for him next time, the people that really live in this community.

Please e-mail, call, fax or write and express your support and gratitude
